Fever and Ague—Certain Remedies.
 NO MORE TEA FOR Tonic Mixtures, Quinine, Solution, Aconite, Mercury, or any of the various compounds, which only relieve the symptoms of the disease more readily, and which sends its victims to the hospital, where they are treated on an early stage. Try Carter's Spanish Mistletoe contains none of these dangerous drugs, but cures the fever specifically on the liver, purifying the blood, and restoring the system to its normal state. The patient here expels energy by opening the pores of the skin, and expelling from the body all impure old medicines, which have clogged the liver and the system. Thousands of persons have been cured of this dangerous disease, after trying every other remedy. As a sample of the remarkable strength of this Mistletoe, persons have been cured of a severe case of Malaria, after it had been called a gentleman of Chronic Fever, and which at the efforts of physicians and their own could not be subdued. It only took three bottles, and the patient was cured. He left his bed, and returned to his country. aug
